## ■ Accelerating our journey toward becoming a world-class investment bank

Since its founding, MACP has upheld a management philosophy centered on “maximizing client value” and “aspiring to become a world-class investment bank.” As the only M&A advisory firm specializing in intermediary M&A deals to rank in the top 10 of both the domestic and global M&A league tables, MACP continues to lead the industry. Staying true to our client-first principles, we are committed to delivering fair and secure M&A services as we accelerate our journey toward becoming a world-class investment bank.

## ■ About the League Table

The league table is a performance ranking of financial institutions based on their achievements in public offerings, corporate bonds underwriting, and M&A advisory over a specified period. For investment banks and other financial institutions, ranking high in the league table is crucial for promoting their business activities, as it publicly showcases their accomplishments
