 M&A CAPITAL PARTNERS

Expanding the Scope of M&A Advisory Services Toward Becoming the World's Leading Investment Bank Supporting Corporate Value Enhancement for Companies of All Sizes, from SMEs to Large Listed Corporations

Building on the extensive experience and expertise it has developed since its founding, MACP has expanded its advisory services from business succession support for small and medium-sized enterprises to M&A transactions that drive growth strategies for listed and large corporations.

In October 2024, MACP established its Investment Banking Coverage Department to strengthen its capabilities in handling highly specialized transactions involving large corporations, including M&A, corporate restructuring, and going-private transactions. Through these initiatives, MACP has participated in landmark transactions as a financial advisor, including supporting the successful completion of MACP's first-ever tender offer (TOB) transaction.

As the business environment surrounding companies continues to evolve significantly, M&A has become an increasingly important management tool not only for business succession but also for growth strategies, portfolio restructuring, and industry consolidation aimed at enhancing corporate value. Through its M&A advisory services, MACP will continue to support the growth of a wide range of companies and further enhance its expertise and advisory capabilities as it strives to realize its vision:

"We aspire to be the world's leading investment bank, seeking maximum contributions to clients and striving for the happiness of all employees."
